The 26th International Society for Business Innovation and Technology Management Conference

April 22nd -26th, 2019

Mercure Budapest Korona (www.mercure-budapest-korona.com)

Announcement and Call for Papers

Theme "Circular Economy & Sustainable Lifestyle"

www.isbitm.org

The conference aims to provide a forum for the exchange of ideas on the latest international business innovation developments in the field of management among researchers and practitioners in universities and industries, and to seek opportunities for collaboration among the participants. The conference is also expected to foster networking, collaboration and joint effort among the conference participants to advance the theory and practice as well as to identify major trends in Innovation and Circular Economy. The ISBITM conferences have been very successful in attracting participations from all over the world. Currently, there are European BITM, African BITM and Asia Pacific BITM for our regional development.

Budapest, Hungary and the Visa Application

Budapest is the capital and the most famous city of Hungary with 10th largest city of populations in EU. This city has many famous sites along the Danube river, thus, it is called “The Danube Pearl” and “Eastern Europe Paris” also. Some nationalities can visit Hungary visa-free, otherwise participants should have a SCHENGEN visa to enter Hungary. Consult the nearest Hungarian foreign mission for visa application lead time information.
